Depri Projects CC I Reg. 2002/013092/23

DEPRI AT A GLANCE

Grounded in mining. *Focused on delivery.*

Depri Projects CC is a South African, service-oriented mining company supplying aggregates, granite, gravel, marble stone, river sand and building sand, with a Limpopo project focus and a commercial approach built around practical execution, clear communication and dependable delivery. We also provide agricultural services to support farming productivity.

Aggregate, Granite, Gravel & Marble

Primary operating focus

Limpopo

Farm Locatie Van De Knopneuzen 230 LT

Registered

Reg. 2002/013092/23 · Est. 2002

Commercial

Local & international engagement

Core capabilities

01 Resource Development

Early-stage mining support and aggregate resource opportunity development.

02 Mining & Production

Disciplined extraction of aggregate, granite, gravel and marble stone, focused on safe, practical and reliable execution.

03 Logistics & Supply

Bulk transport and scheduled delivery of aggregates, sand, granite, gravel and marble stone to site.

04 Quality & Operational Support

Practical controls and support systems focused on consistency, traceability and performance.

05 Agricultural Services

Land preparation and ploughing, machinery hire, planting and harvesting support, and farm logistics.

RESPONSIBLE MINING

Performance with *accountability.*

Safety, environmental awareness, people development and governance form part of Depri's responsible-mining approach and long-term operating mindset.

01 SAFETY
Safety-first operating discipline.

02 ENVIRONMENT
Practical environmental responsibility.

03 PEOPLE
Workforce development and local value creation.

04 GOVERNANCE
Clear accountability and professional conduct.

COMMERCIAL ENGAGEMENT

A clear pathway from *enquiry to delivery.*

1. Request capability information
2. Commercial / procurement discussion
3. Scope and due-diligence exchange
4. Proposal, mobilisation and delivery planning

Project references and supporting credentials are available to qualified clients, subject to confidentiality and approval.
